

800MT EXPLORE

Explore more.

An evolution of the existing Touring model, the new 800MT Explore features a compilation of technical updates set to maximise long-distance comfort whilst taking the overall ownership experience to new heights, thanks to the introduction of advanced traction control systems, rear radar technology, an 8-inch Multi-Media Interface (MMI) display, several new ride modes, switchable ABS front and rear, and Michelin tyres.

- 8-inch Multi-Media Interface (MMI) display
- Choice of six riding modes
- Motorcycle Stability Control (MSC)
- Traction Control (TC) and Dynamic Traction Control (DTC) systems
- Michelin ANAKEE Adventure tyres
- CF Radar System Blind Spot Detection (BSD)
- Lane Change Assist (LCA)
- Rear Collision Warning (RCW)
