

Limited Edition CFMOTO Team Aspar 450SR-S

Continuously inspired by professional racing, the 450SR S' exterior design has been enhanced with optimised aerodynamics

The beautiful single-sided swingarm amplifies the racing prowess. Evolving into a hollowed-out shark fin front wing which allows airflow to glide seamlessly over the body. The new hidden exhaust seamlessly integrates with the rear of the bike, creating a visually impactful statement. Now available in Limited Edition Championship Blue.
