C6 PRO TOURING

A True Evolution

Premium comfort and capability with added passenger versatility for work, adventure and everything in between.

The all-new C6 PRO TOURING has been engineered from the ground up to deliver more power, greater comfort and smarter technology in a premium single-cylinder ATV. Featuring an all-new engine, chassis, suspension and technology platform, the fourth-generation C6 PRO TOURING is purpose-built for Australian conditions, offering premium two-up comfort without compromising capability.
